Natural hazards in the Alps

June 29-July 6, 2014

❖ University of Padova – National Cheng Kung University ❖

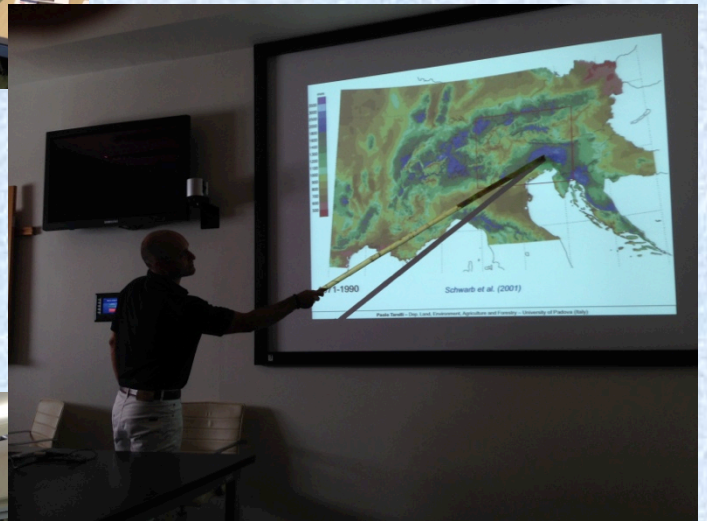

The world is so empty if one thinks only on mountains, rivers and cities; but to know someone who thinks and feels with us, and who, though distant, is close to us in spirit, this makes the earth for us an inhabited garden

Johann Wolfgang von Goethe, in *Goethe Sämmtliche Werke*, 1874
