

ACADEMIC MEDIATORS IN PHD PROGRAM

The role of the **academic mediator** is to facilitate the friendly resolution of any conflicts in the supervisor-doctoral student relationship

Any PhD student and any Supervisor can contact the academic mediator

The Mediator intervenes **only upon request** by a PhD student or Supervisor

The interviews are held behind **closed doors**, in a **protected environment**

The **mediation procedure** is **confidential**, as well the identity of the person requesting mediation

The mediators are required to maintain **absolute confidentiality** about the **progress of the mediation**

The mediator might propose **meetings** aimed at **improving communication** between the parties involved
